Hello again Alice,

I have just been informed that AlterEcho has received an authorization to proceed. Everything should now be in place for them to start work. Thanks for your patience.

Good morning Alice,

We got word late yesterday that the EPA Contracting Officer has approved TechLaw/AlterEcho for work under the contract. We are proceeding quickly to authorize work on this Task Order. I will let you know as soon as the authorization to proceed is finalized. I look forward to working with you.

Regards,
